Pam Josifek has been teaching group fitness classes including yoga, core, cardio, and strength training for over 12 years. Pam discovered yoga way a key part of her wellness routine as a means to relax and increase her flexibility. As she experimented with different styles of Yoga, she fell in love with the flowing movements of hot power yoga. She was amazed at how quickly her muscles loosened up and how meditative it was to move from pose to pose during practice.

Pam is inspired to help people gain physical strength and endurance while finding the emotional balance in their life. She understands through years of career and personal challenges how important it is to find that balance and loves to help others live a strong, healthy, and fit life.

Employment Assistance Services

Green Frog Yoga does not offer employment assistance services. We will offer suggestions and discuss possible career and job opportunities within the field of teaching yoga, but we not offer career counseling or job placement. This program makes no guaranty of employment. For many, teaching yoga is a part-time endeavor and a few may pursue it as a full-time job. And for some, participating in a yoga teacher training is about deepening their knowledge of yoga as a discipline without necessarily having interest in teaching.

Student Code of Conduct

Ethics are at the core of the yogic lifestyle. This topic is taken very seriously at Green Frog Yoga and within the Green Frog Yoga Teacher Training Program. The Code of Ethics outlines our expectations for student conduct. Please review it and be familiar with its contents. During our program, we will discuss ethics in depth.

Students are expected to follow all school rules, policies and ethical codes as outlined in this catalog and behave as mature adults. Any student whose conduct is disruptive may be terminated from the program at the discretion of the Green Frog Yoga administration. Disruptive behaviors include, but are not limited to: excessive tardiness, failure to pay fees when due, harassing other students, abusive language, breach of confidentiality, possession of or being under the influence of alcohol or drugs during school sessions, destruction of studio or school property, theft, any behavior creating a safety concern, any conduct that is unsatisfactory to Green Frog Yoga, its teachers, desk staff and students, and any act aiding, abetting, or inciting others to commit any act that would detract from the normal operations of Green Frog Yoga.

Attendance

Attendance at all sessions is required. If you anticipate missing class sessions, please discuss this during your interview. Formal attendance will be conducted for each class and attendance is recorded in students' permanent records. Please arrive 15 minutes early to adequately prepare for the class.

If a student does miss a class, they must meet with the Lead Teacher to develop and agree on a plan to learn the missed content and fulfill the required hours. It is to the student's benefit that all missed material is made up prior to the next scheduled meeting. Yoga asana time missed may be made up by attending approved classes. Lectures and other classes that are unique to the teacher training may be made up through individual private instruction with the Lead Teacher. Make up instruction resulting from absences will be charged at \$60 per hour.

If a student misses more than one full week of training or a training weekend, and the hours cannot be made up before the end of the program, the student may be dismissed from the program at the discretion of the Lead Teacher. A meeting between the student and the Lead Teacher will be set up to determine if the student is able to make up the missed hours or if the student will be dismissed from the program.

Tardiness

Tardiness and leaving class early is subtracted from the total time of the program and counts against the minimum-required attendance of 181 contact hours as required by Yoga Alliance (out of this 220 hour program). This class time must be made up, see "Attendance" for details on making up missed hours of class time.

Leaves of Absence

Leaves of absence from the Teacher Training Program are not offered. If a student should have to discontinue the training, and should wish to continue the training at a later date, they would have to begin the program again at that time. The refund policy will apply to unused tuition.

Make-Up Hours

Make-up instruction resulting from absences will be charged at \$60 per hour. See "Attendance" for requirements for make-up hours, should it be necessary.

Absence Records

Absences are recorded by faculty and kept with student records in computer and paper files.

If the student does not progress according to the plan, termination from the program will result and the refund policy will be followed for any remaining tuition.

Students who are not fulfilling the Student Conduct codes (see "Student Conduct") will receive a written warning and will be placed on probation for the length of the program. Green Frog Yoga Teacher Training Program Code of Ethics

As a certified Yoga teacher, you represent not only the Green Frog Yoga Teacher Training Program to your students, but the integrity of the yoga lifestyle. Certified Yoga teachers are expected to uphold the following ethical standards.

Purpose

As a Yoga teacher, I recognize the sensitive nature of the student-teacher relationship. I recognize that it is my responsibility and privilege to support the physical, mental, emotional and spiritual well-being and growth of my students, and to uphold the dignity and integrity of the yogic teachings. Therefore, I agree to abide by the following ethical standards:

Professional Conduct

In all professional matters and in my teaching practice, I agree to:

- ✓ Offer only those services I am qualified and competent to provide.
- ✓ Represent all professional qualifications accurately and correct any misrepresentation of professional qualifications.
- ✓ Not attempt to diagnose any physical or psychological condition of a student or prescribe any treatment.
- ✓ Not suggest or approve of anything that goes against a physician's treatment or advice.
- ✓ Stay aware of current topics in yoga teaching in modern society and take continuing education in yoga teaching on a regular basis.
- ✓ Be honest, straightforward, conscientious, fair and professional in all business, contractual and financial matters and dealings.
- ✓ Conduct business practices and manage business finances according to recognized business and accounting procedures.
- ✓ Avoid speaking negatively about other teachers, colleagues, and professionals, as well as other yoga styles or traditions.

Relationships with Students

In recognition of the student-teacher relationship, the trust placed on me by my yoga students, and in order to provide an environment which facilitates the well-being of my yoga students, I agree to:

- ✓ Offer complete respect and show only the highest regard and sensitivity for my students' personal beliefs and values.
- ✓ Avoid any action that will conflict with the highest interest of my students.
- ✓ Treat all communications from students with professionalism.
- ✓ Avoid discriminating against any student and offer my services of teaching yoga to all persons, regardless of sex, race, color, ancestry, age, marital status, political affiliation, or sexual orientation.

- ✓ Avoid taking unfair advantage of students financially, sexually, romantically or otherwise.
- ✓ Avoid exploiting the trust and dependency within the unique student-teacher relationship.
- ✓ Avoid any dual relationships with students (business, close personal, or sexual) that could compromise the integrity of our teaching or the well-being of the student.
- ✓ Refrain from initiating a romantic or sexual relationship with a current student, even if invited by the student. All forms of sexual behavior or harassment with students are unethical, even if the student consents to such involvement.
- ✓ Use caution if I choose to enter into a personal relationship with a former student. (The student-teacher relationship involves a power imbalance, which can remain even if the student is no longer studying with the teacher.)
- ✓ First discuss openly and honestly with my teacher or the Green Frog Yoga Teacher Training staff if any situation or circumstance arises in regard to a personal relationship with a student that is out of the ordinary and the appropriate course of action is unclear.
- ✓ Fully acknowledge that this ethical protocol is intended to support the best interests of my students and the Yoga profession.

Advertising

In all advertising, promotional materials and descriptions of my services, including verbal statements, I agree to:

- ✓ Make no false statements or exaggerated claims as to the benefits of yoga or my classes/workshops.
